

Handson & Partners

Part of the PwC network

Controlling professional

Company description:

Handson & Partners, part of the PwC network, is a company that focuses on Finance & Control and employs approximately 90 ambitious and enthusiastic Professionals. We have become a reliable and high-quality partner for several SMEs and multinationals.

Handson & Partners distinguishes itself from other financial service providers by focusing our efforts on what our customers appreciate: flexibility, a bespoke service, and a long-term partnership. Our services are very diverse: from hands-on advice about short-term support to strategic outsourcing.

Responsibilities:

Currently, we are actively seeking motivated Controlling Professionals that would like to convert their basic audit and/or controlling knowledge into practical experience, and who want to gain further experience by working for various clients, from SMEs to multinationals on a project basis, as well as to share their knowledge with colleagues.

Depending on the project you are working on you will focus on different tasks: operational analyses, forecasting, budgeting, reporting, closing, internal control, the review and optimisation of procedures, bespoke advice, etc.

Qualifications:

- You have a Bachelor's degree or Master's degree in the field of Finance.
- You have at least 3 years of experience in audits and/or controlling.
- You express yourself fluently in Dutch and English. French is a plus.
- You work easily with the MS Office suite; any knowledge of other specialised programs is highly appreciated.
- You are dynamic, flexible and professional.

Offices:

Handson & Partners has offices in 6 locations in Belgium: Antwerp, Brussels, Ghent, Hasselt, Turnhout and Liège. Our team is ready to welcome new colleagues.

Our offer:

- a competitive salary, well complemented by additional legal benefits, such as
 - hospitalisation and group insurance
 - representation reimbursement and lunch allowances
- a company car to make travelling to our customers as pleasant as possible
- opportunities to grow in your job function within the company via internal and external training courses and various career opportunities
- a dynamic company with a strong team in which initiative and team spirit are really appreciated
- job security
