

We're looking for IT interns!

## Fascinated by RPA? We're looking for IT interns !

- Are you tech-savvy, experienced in software development, programming or Robotics automation tools?
- Are you interested in working on Robotic Automation and AI Projects?
- And are you eager to learn and get to know an inspiring business environment, based on continuous learning and teaming?

### Then this internship might be perfect for you!

As an IT intern, you will be assigned to a specific project where you will:

- Analyze, design and automate various processes using new, cutting-edge technologies that EY is currently implementing.
- Your goal is to help our end users to automate their current processes, performing process analysis and software implementation

### Interested?
