

Just one question counts when it comes to your career:  
**Do you have the appetite?**

*Consumers everywhere are increasingly conscious of the quality of the food they eat. Puratos develops, produces and distributes worldwide a range of ingredients for bakers, pastry-chefs and chocolatiers who demand the very highest quality.*

*Puratos is an ambitious company with a workforce of 7000, known for its passion for innovation in over 100 countries. The more our company grows, the stronger our pioneering spirit becomes. This, coupled with our commitment to our employees and our partners, is what makes working at Puratos so unique.*
